Who We Are

The Fawn Lake Veterans Group provides tailored support to veterans in order to formally recognize their service, build camaraderie and to explore opportunities to promote the general welfare of service members, veterans and their families. **The FLVG is a 501(c)(19) tax-exempt organization specifically benefiting veterans of the US Armed Forces.** The work of our 501(c)(19) nonprofit organization focuses solely on making life better for veterans or current members of the Army, Marine Corps, Navy, Air Force, Space Force, and Coast Guard.

Veteran Focused Charities

Since our inception in 2019, the FLVG has donated over **\$70,000** to Virginia veteran charities, local county services, and community employee funds, including. Last year's charity recipients were "Leashes of Valor" and "Vets on Track".

Our Tournament

A captain's choice style event, consisting of four flights, supporting veterans and their families. The field is limited to 32 teams (128 players). The top three teams in each flight receive awards, along with the longest drive, closest to the pin, and putting contests. The top finishing all service team will be recognized on the tournament's perpetual trophy displayed in the club.
